The Story Behind ICP Renegades:

ICP

Renegades is
born out of a
passion for
video games
and crypto,
particularly

ICP. Inspired
by a profile
picture
designed by
Ashutosh
Yadav, we

embarked on
a journey to
create a
unique NFT
collection.
Our vision

expanded to
include the
development
of a Web 3
Game GTR,
transforming

our NFTs into
in-game
skins within a
Metaverse
Game. With
partnerships

with tech
leaders in the
ICP
ecosystem,
we are
committed to

delivering
unparalleled
value to our
community.
